NOTICE

Ref : COO/NOTICE/2022/11
To : Logistic Providers - MPC & BFI Project
Subject : THE USE OF MUARA-LUMUT HIGHWAY FOR BFI CONTAINERS
MOVEMENT
Date : 16 November 2022

Dear Concerned,

Reference is made to the matter above. With regards to Brunei Fertilizer Industries Sdn Bhd ("BFI") Project, Muara Port Company Sdn Bhd ("MPC") would like to strictly inform that logistic providers are prohibited from using the Telisai road for transporting BFI containers.

Land Transport Department has instructed not to use Telisai road in this project. It is only for residential use and no longer suitable for heavy vehicles since the new highway has been commissioned.

Despite several engagements with logistic providers emphasizing on this matter, multiple sightings of trailers with BFI containers are seen at Telisai road to date. With regards to that, effective immediately, MPC will impose a 14 days ban to drivers from participating in the project shall they use Telisai road.

MPC wishes to take public safety as top priority while ensuring the project to run smooth and accident free. To achieve this aim, MPC would like logistic providers to comply this requirement without fail.

Your cooperation is highly appreciated. Thank you.

Best regards,

FAZILAH YASSIN
CHIEF OPERATING OFFICER
MUARA PORT COMPANY SDN BHD
